PREPARE FOR INCREASING TEMPERATURES

Prevent Heat Illness at Work

Outdoor and indoor heat exposure can be dangerous.

Ways to Protect Yourself and Others

Ease into Work. Nearly 3 out of 4 fatalities from heat illness happen during the first week of work.

- ✓ **New and returning** workers need to build tolerance to heat (acclimatize) and take frequent breaks.
- ✓ **Follow the 20% Rule.** On the first day, work no more than 20% of the shift's duration at full intensity in the heat. Increase the duration of time at full intensity by no more than 20% a day until workers are used to working in the heat.

Drink Cool Water

Drink cool water even if you are not thirsty – at least 1 cup every 20 minutes.

Dress for the Heat

Wear a hat and light-colored, loose-fitting, and breathable clothing if possible.

Take Rest Breaks

Take enough time to recover from heat given the temperature, humidity, and conditions.

Watch Out for Each Other

Monitor yourself and others for signs of heat illness.

Find Shade or a Cool Area

Take breaks in a designated shady or cool location.

If Wearing a Face Covering

Change your face covering if it gets wet or soiled. Verbally check on others frequently.

First Aid for Heat Illness

The following are signs of a medical emergency!

- Abnormal thinking or behavior
- Slurred speech
- Seizures
- Loss of consciousness

1

» CALL 911 IMMEDIATELY

2

» COOL THE WORKER RIGHT AWAY WITH WATER OR ICE

3

» STAY WITH THE WORKER UNTIL HELP ARRIVES

Watch for any other signs of heat illness and act quickly. When in doubt, call 911.

If a worker experiences:

- Headache or nausea
- Weakness or dizziness
- Heavy sweating or hot, dry skin
- Elevated body temperature
- Thirst
- Decreased urine output

Take these actions:

- » Give water to drink
- » Remove unnecessary clothing
- » Move to a cooler area
- » Cool with water, ice, or a fan
- » Do not leave alone
- » Seek medical care if needed

DINING AND BOOKSTORE AT SUMMER ORIENTATION

On June 10, freshman orientation began for the incoming class of Broncos to familiarize themselves with CPP, enroll in classes and learn more about the resources available to them as students!

At each orientation date, CPPE's Outreach team enthusiastically provides parents and incoming students information about various CPPE programs such as Dining Service's meal plans and the Bronco Bookstore's Instant Access Complete Program at morning check in.

Staff from Dining Services and the Bronco Bookstore also table throughout the day at other orientation fairs to ensure attendees are getting their questions answered no matter where the day leads them.

Thomas Sekayan, CPPE's Chief Operations Officer, also delivers an exciting speech introducing CPPE to parents and family members to kick off the Parent and Family Engagement Orientation. As a special surprise, families attending the orientation are also treated to complimentary Starbucks beverages as a thank you from CPPE!

Freshman orientations will continue into July, and transfer orientations will begin July 15 where CPPE will continue to share valuable information to enhance new student's experiences.

BRIC BREAK WINS SILVER AWARD IN NATIONAL COMPETITION!

BRIC Break has been recognized by the National Association of College and University Food Services (NACUFS) for the 2024 Loyal E. Horton Dining Awards.

Loyal E. Horton Dining Awards is a prestigious award that annually celebrates and recognizes exemplary and innovative campus dining services in higher education across North America.

BRIC Break entered and placed Silver in the “Retail Sales: Single Concept of the Year” category against notable competition in campus dining including the University of Arizona and University of Maryland. The category was open to any stand-alone dining unit that was not inside a marketplace concept.

Participants were tasked with submitting detailed information showcasing the retail facility’s menu, design, marketing, nutrition, sustainability and overall wow factor. The submission included numerous images, descriptions and examples of how BRIC Break met the judging criteria.

The Loyal E. Horton Dining Awards submission was a collaboration between CPPE’s Dining Services team and Marketing Department.

“As the Food Service Director, BRIC Break represents a significant milestone for Cal Poly Pomona, offering our community locally sourced, clean, and healthy food options under our in-house brand,” says CPP Dining’s Aaron Neilson. “I take pride in this collaborative effort, aimed at enhancing the well-being of our campus through delicious açai smoothies and bowls.”
