For Immediate Release

Appointment of William Chung as Assistant Director of Financial Services for the Cal Poly Pomona Foundation

The Cal Poly Pomona Foundation is pleased to announce that after an intensive search, Mr. William Chung has been appointed Assistant Director of Financial Services, effective January 10, 2022. In this role, he will be responsible for managing the Accounts Payable, Accounts Receivable, Banking and Cashiering functions of the organization, along with financial analysis, audit preparation, budgeting and investment reconciliation. He is reporting directly to Joanne Mathew, Chief Financial Officer of the Cal Poly Pomona Foundation.

Mr. Chung is a military veteran, Cal Poly Pomona alumnus and finance professional with 16+ years of hands-on experience in various industries (telecommunications, consumer products and services, leisure and hospitality and e-commerce) in both for-profit and non-profit spaces. As a seasoned finance leader, he has worked with cross-functional teams to evaluate and launch new products and services, explore and capitalize on revenue growth opportunities, measure and drive marketing efficiencies, explore and initiate cost-saving efforts, and assess and sunset business streams. Before joining the Foundation, Mr. Chung served as Finance Manager for Girl Scouts of Greater Los Angeles in which he led the financial planning function, forecasting, budgets and cash flow management.

Outside of work, he enjoys spending time with his loving wife and four children while serving as a board member and finance committee chair for his home church.

Special appreciation is due to the hiring committee for vetting such a large pool of qualified candidates: Aaron Neilson, Lily Maciel and Nora Fernandez.

Established in 1966, the Foundation provides a wide range of essential services for the campus community, including Dining Services, the Bronco Bookstore, faculty/staff housing, University Village housing, the Kellogg West Conference Center and Hotel, commercial real estate activities and Innovation Village. Additional support includes services provided to The Farm Store, Philanthropic Foundation, Sponsored Programs and more. The Foundation is the largest employer of students at Cal Poly Pomona, providing invaluable work experience to approximately 1,700 students each year.
